INTRODUCTION

Edullete **OSTINE** is more than a school management platform it is a purpose-built digital partner designed to simplify how schools function every single day

PROBLEM:

Schools today operate across multiple disconnected systems

Attendance registers

Notice boards

Parent Communication

Health records

Events

Reports

WE SOLVE

EduStine brings all these critical functions into one integrated, secure platform, enabling

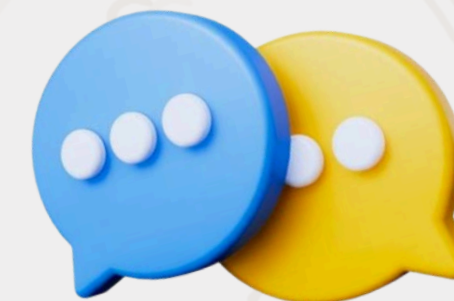

Faster classroom and administrative operations

Reduced workload for teachers

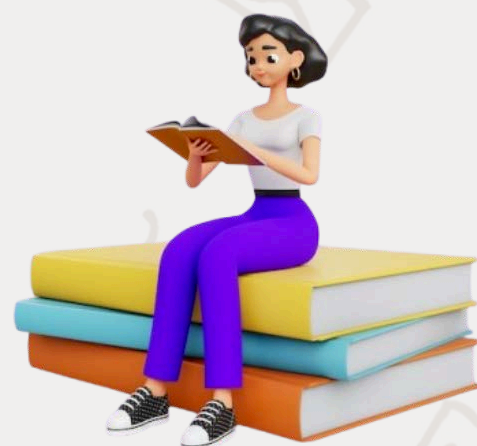

Real-time visibility for school authorities

Better communication with parents

At the heart of **Edu@Stine** is our Triangular Module, designed to create seamless alignment between

Teacher

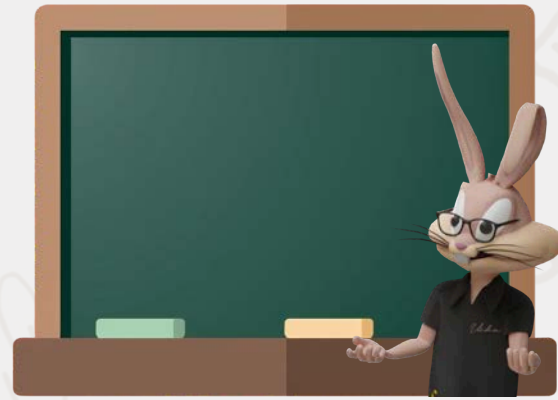

School

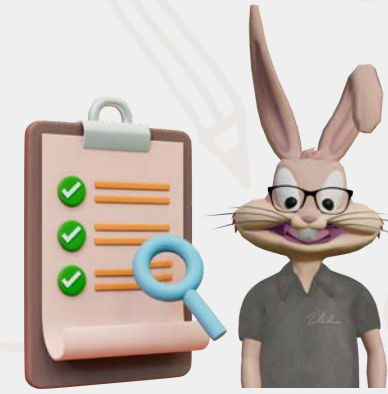

Parents & Students

OUR APPROACH

Teacher-friendly design built around real classroom workflows

Admin on Autopilot with automated attendance, reports, and communication

Scalable and future-ready, aligned with modern digital education needs

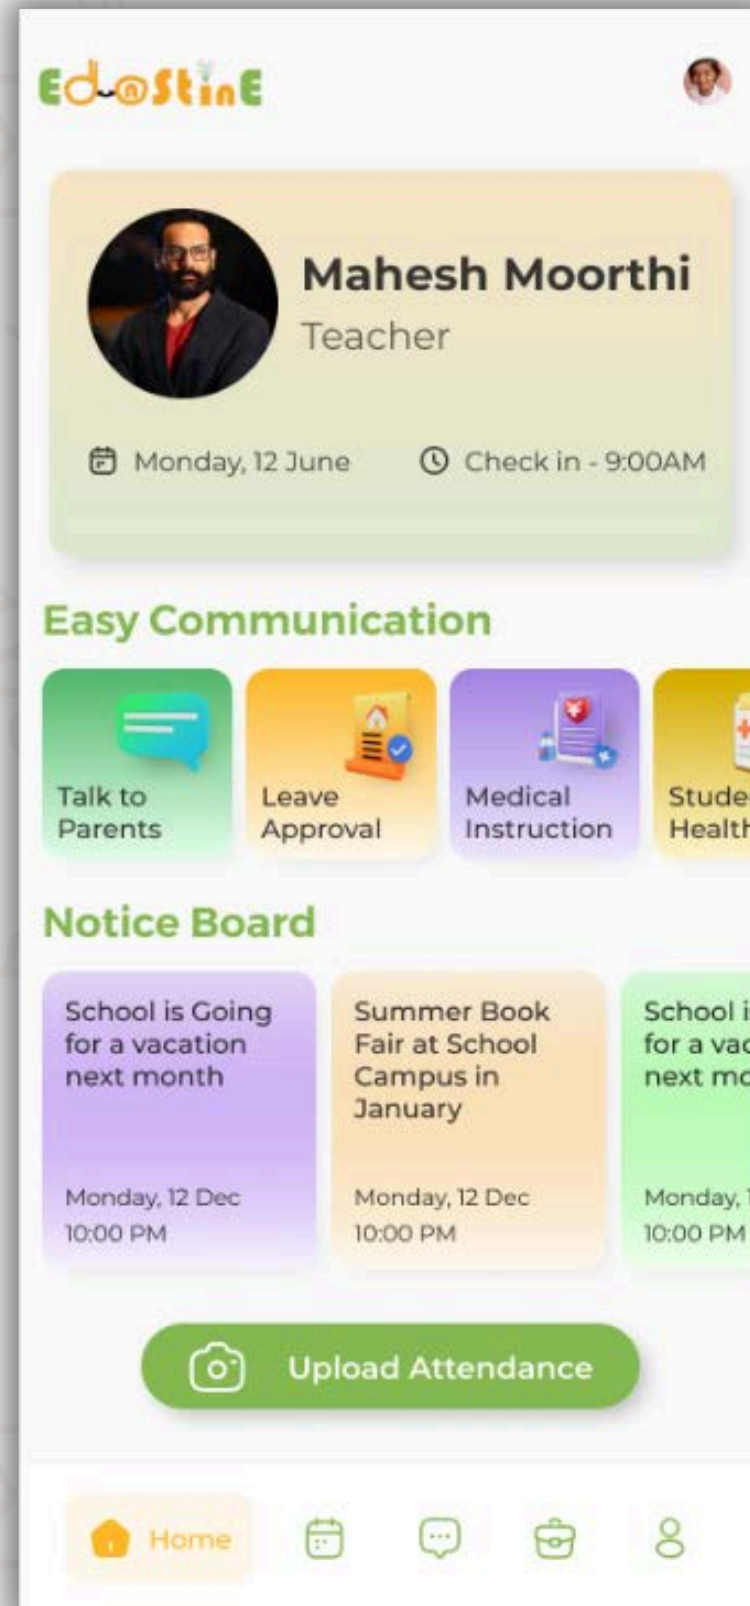

Centralized control for management with minimal training required

Safety-first features with real-time tracking and instant alerts

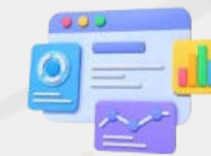

WHY FOR SCHOOLS

FEATURES

Notice Board

Keeps teachers instantly informed about school announcements, events, and schedules reducing dependency on manual circulars or follow-ups

Home Dashboard

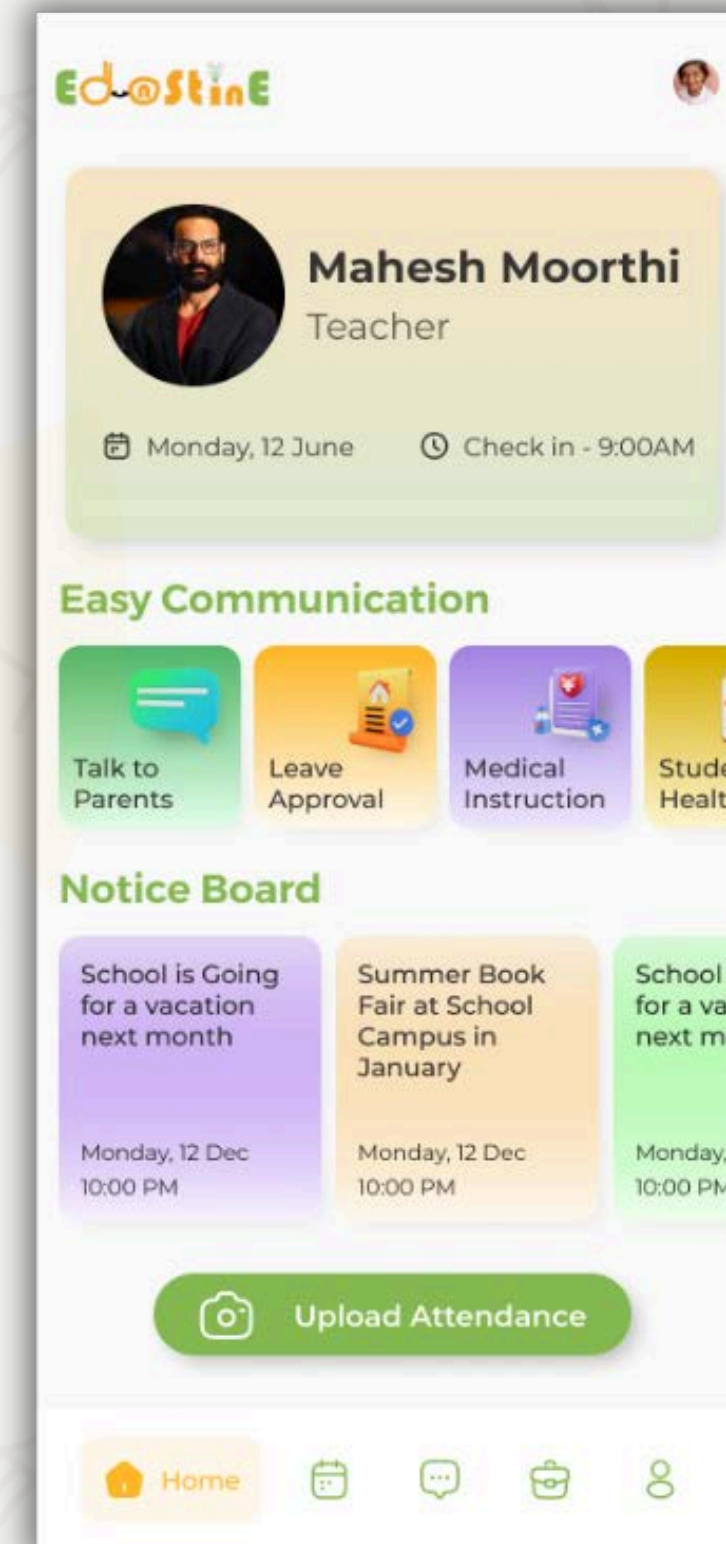

Provides teachers with a single-view summary of daily check-ins, attendance status, and key actions, improving classroom preparedness

FEATURES

Talk to Parents

Empowers teachers to communicate directly with parents through secure messaging, strengthening parent teacher collaboration.

Ed@StinE

My Attendance (Teacher Attendance)

Allows teachers to view their own attendance records clearly, promoting transparency and reducing HR-related queries.

FEATURES

Edo@stine

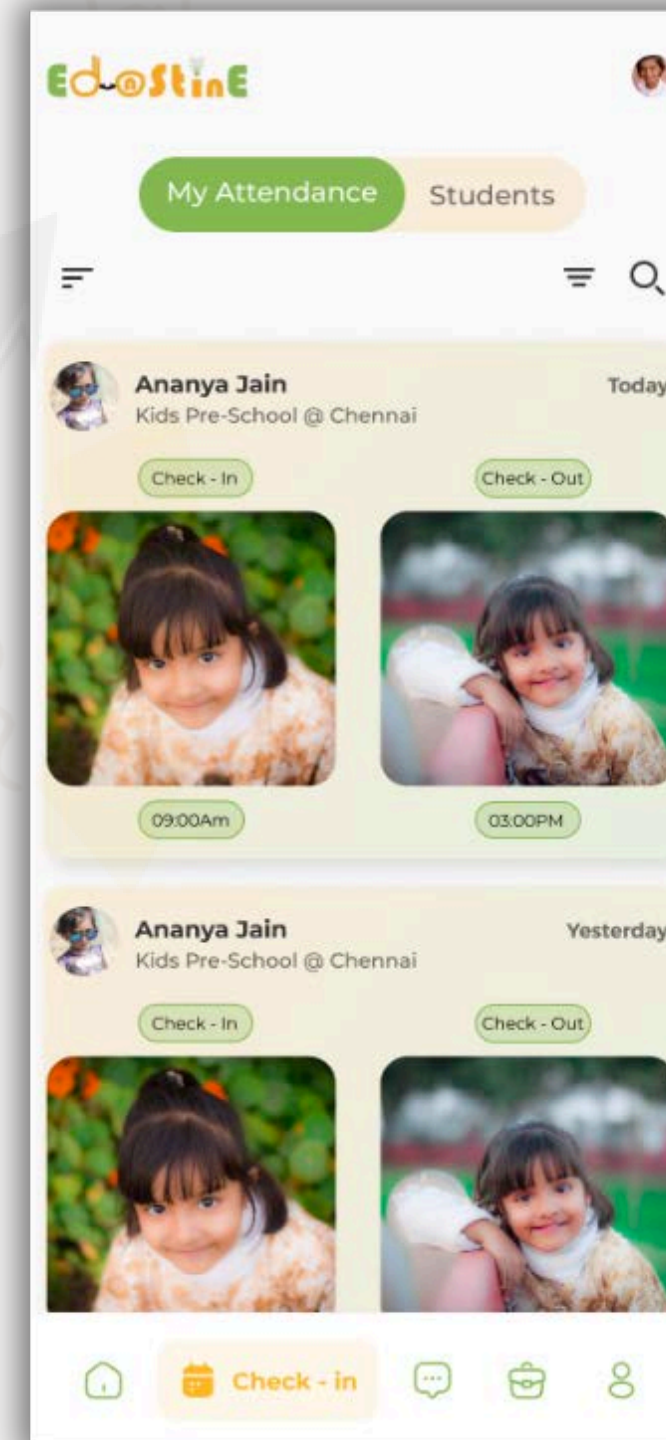

Student Check-In / Check-Out

Helps teachers track student presence accurately throughout the day, ensuring accountability and student safety

Attendance Upload

Allows teachers to mark and upload attendance digitally in seconds, eliminating paperwork and reducing administrative errors.

Edossas

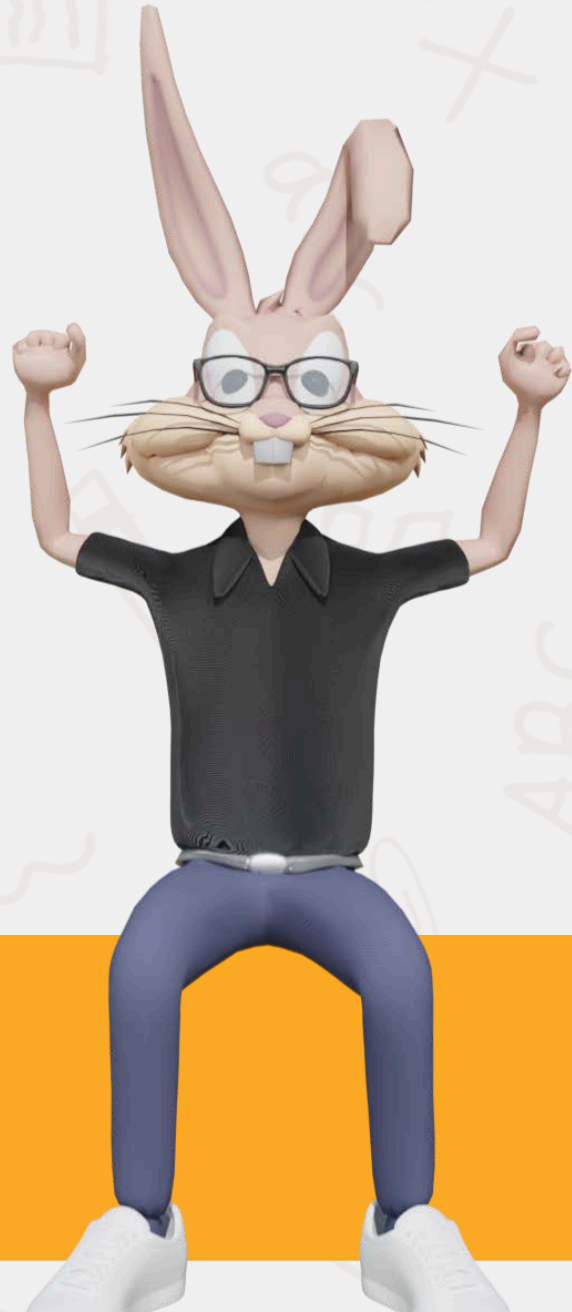

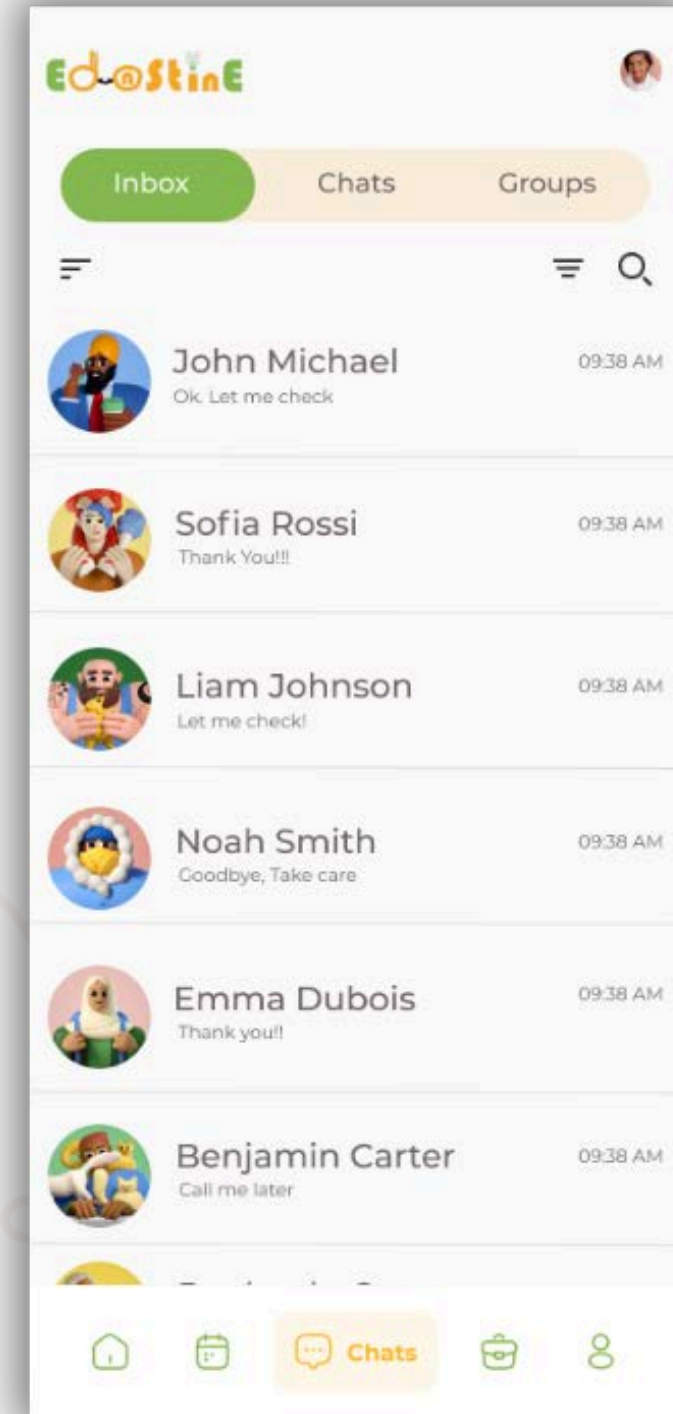

Easy Communication

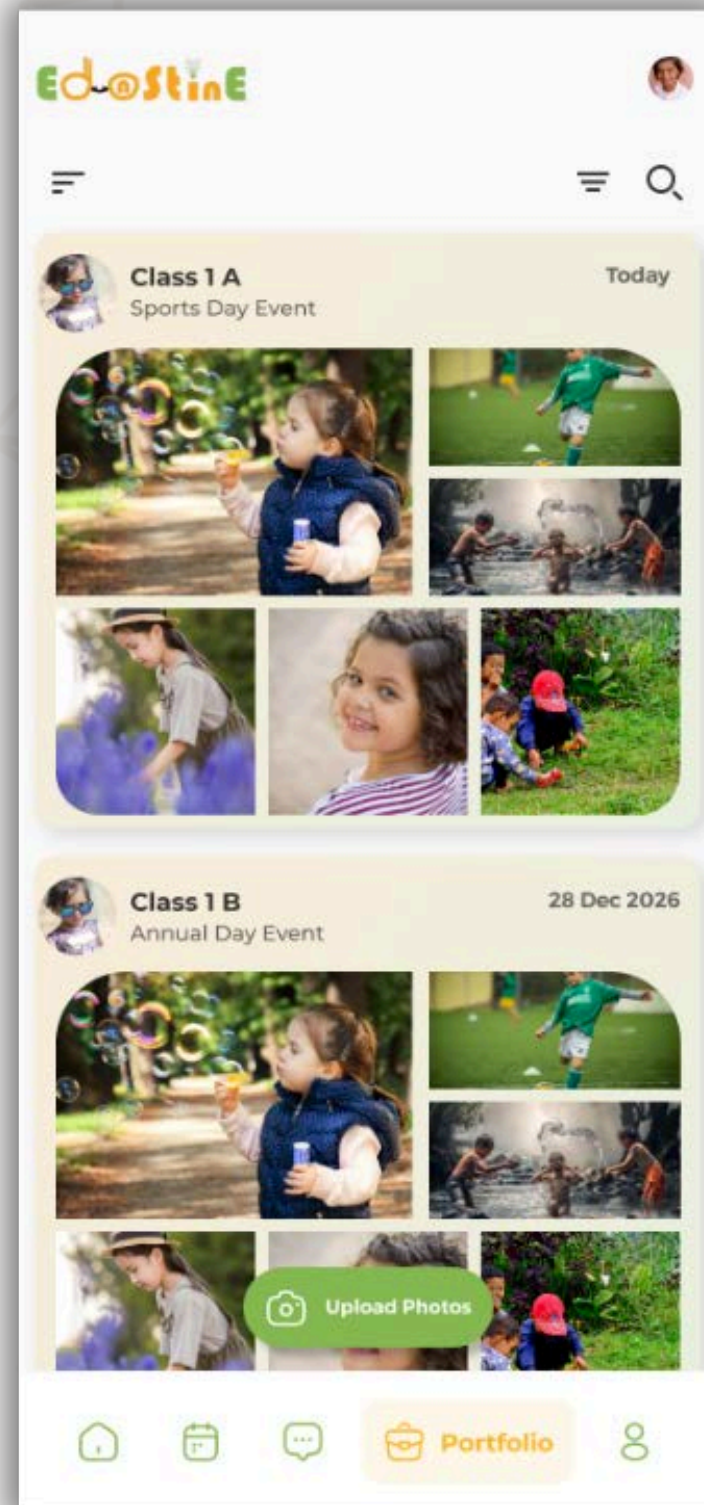

Enables seamless communication between teachers, parents, and management, ensuring timely updates without phone calls or scattered messages

Chats (Inbox, Groups, Classes)

Facilitates organized communication with individual parents, classes, or groups—keeping academic discussions focused and documented

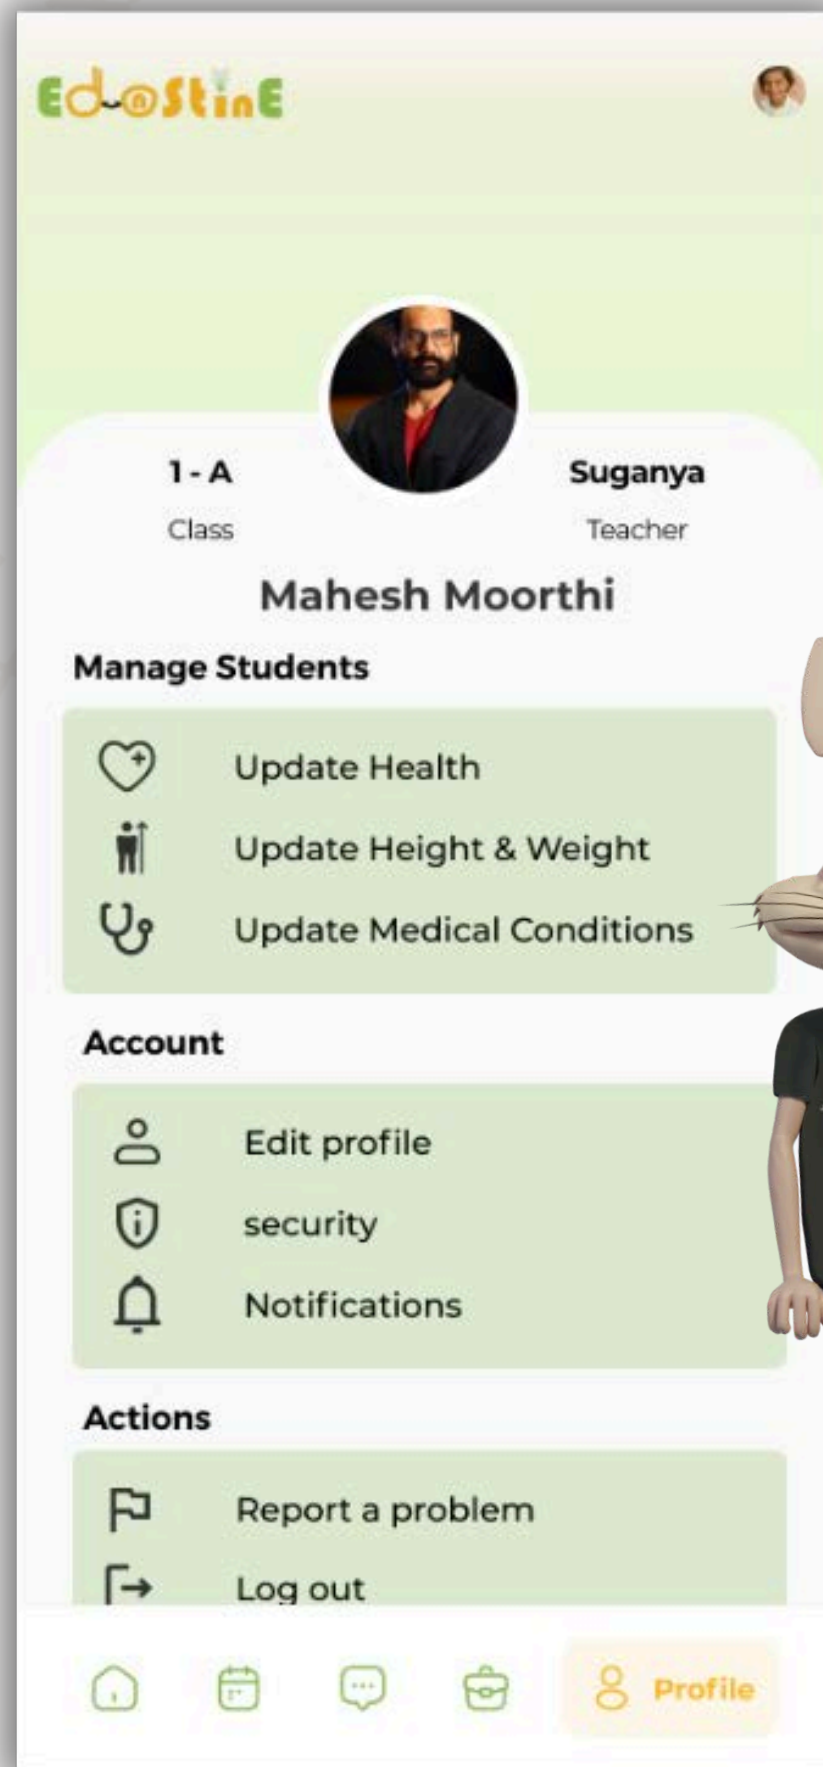

Upload Photos / Portfolio

Allows teachers to upload classroom activities and student achievements, enhancing engagement and showcasing learning outcomes.

Manage Students

Provides teachers an organized view of assigned students, making classroom management and reporting more efficient

Medical Instruction Access

Gives teachers instant visibility into student medical instructions, helping them respond responsibly during emergencies or special situations

Student Health

Overview Provides teachers quick access to student health details, supporting safer classroom and activity planning

Profile & Account Management

Gives teachers control over their profile, notifications, and security settings, ensuring a personalized and secure experience.
